## ACKNOWLEDGEMENT

First and foremost, we would acknowledge my limitless thanks to Allah Almighty, the Ever Magnificent: the lord of the world. This project has been completed with the assistance of various authorities. We would like to thank all those who helped in carrying out this project. Then, we would like to thank Bahria University for giving us this opportunity to conduct this project as a partial fulfillment of requirement of bachelor's degree in supply chain management.

Afterwards, we would like to express my gratitude to our supervisor Ms. Maria Iqbal for her continuous and patience assistance, encouragement and beneficial critique. During the project, she provided guidance, advice, valuable suggestions, constructive comments and commitment to reply to queries promptly throughout her research work. Her willingness to give her precious time so generously is highly appreciated.

We also would like to express our wholehearted thanks to our families, who have been supportive all along. Due to their unconditional support, we had chance to complete this project.
